# QUALIFICATION SPECIFICATION

## Signature Level 3 Certificate in British Sign Language (RQF)

(QAN: 601/1116/1)

(Signature Qualification Reference: BSL32)

### Qualification aim

Level 3 Certificate in British Sign Language (BSL) caters for the learning needs of those who already have competence in BSL at Level 2. Successful learners must be able to demonstrate competence at Level 3 of the UK Occupational Language Standards (CILT, 2010). **This means that the learner will be able to understand and use varied BSL in a range of work and social situations.**

The learner will develop an advanced knowledge of the structure and function of British Sign Language and an understanding of the Deaf Community and Deaf Culture.

The assessment criteria for units BSL321 and BSL322 are taken from the UK Occupational Language Standards at Level 3 ('Varied' language use). They are equivalent to those for Modern Foreign Languages at AS and A2 level. The qualification is at Level 3 on the Qualification & Credit Framework (RQF), Advanced Level on the Language Ladder, and Level B2 on the Common European Framework. Application of these standards have been applied to the units within the qualification. **NB The knowledge and understanding element of the National Occupational Standards (NOS) are not formally assessed.** Assessment is through the assessment criteria. They do provide background information to help support the achievement of the assessment criteria detailed in each unit

The standards can be used to:

- describe good practice in particular areas of professional activity
- inform job descriptions and personal specifications
- design training courses and continuous professional development
- assess the skills of those who are qualified, e.g. for recruitment or appraisal purposes
- offer a framework for quality assurance

## Qualification structure

The qualification is divided into three units each of which will be assessed separately. Although assessments can be taken straight after each unit has been taught, Signature suggests that **all** assessments are best taken at the end of the course when all teaching is complete.

Unit type	Signature unit code	RQF unit number	Unit title	Unit details
Mandatory	BSL320	J/505/4113	Sign Linguistics Knowledge	See Unit BSL320 Specification
Mandatory	BSL321	Y/505/4116	Understand varied British Sign Language in a range of work and social situations	See Unit BSL321 Specification
Mandatory	BSL322	D/505/4117	Use varied British Sign Language in a range of work and social situations	See Unit BSL322 Specification

## Qualification objectives

Successful completion of this qualification can be used as evidence of the language skills needed in order to be able to operate independently and at an advanced level in the target language. It is useful for those who work on a regular basis with Deaf people (for example social workers, teachers of the Deaf, communicators, voluntary workers, workers within Deaf organisations, schools, etc), those who aspire to work in these contexts, and those who wish to expand their knowledge and skills in British Sign Language.

## Delivery and contact hours

# ASSESSMENT SPECIFICATION

**Please read this specification and Signature Assessment Regulations/General Regulations on our website.**

The assessment for this unit is split into two parts. **Each candidate should complete Part A and continue immediately onto Part B, before the next candidate begins their assessment:**

Part A = 8-10 minute presentation by the candidate

Part B = 10-12 minute conversation between the teacher and candidate

Both parts of the assessment will focus on a topic provided in advance, by Signature. Three topics will be selected at random by Signature (for example; Home Life, Social/Recreational Activities, Education and Training) and will be given to the centre. The centre will then give these three topics to the candidate, four weeks before the date of the assessment. The candidate will choose one of the topics supplied by Signature and prepare for their assessment.

**Both the candidate and the teacher should prepare for the assessment together to make sure that the assessment criteria is covered during the presentation (Part A) and the conversation (Part B).**

All discussion topics should have an emphasis on Deaf related issues.

**The whole assessment (Part A and Part B) must be recorded and sent to an external Signature assessor. Both parts will be marked together and candidates must pass both parts to achieve this unit.**

**The pass mark for the assessment is 50%, i.e. 34/68. In addition, Essential Criteria E1, E2 and E3 - two or more points must be achieved for each of these to pass this unit, regardless of the total number of points achieved.**

# Guidelines

**Each candidate should complete Part A and continue immediately onto Part B, before the next candidate begins their assessment:**

## Part A: Presentation

By covering the assessment criteria, the candidate will show understanding of the following, when expressed in BSL:

- Information and personal opinion.
- Arguments in support of own views.

We recommend that the presentation includes the following structure. However, candidates will not be marked on the structure of the presentation; only the BSL content.

- Introduction
- Source of material
- Analysis of findings
- Conclusions
- References

Candidates are encouraged to use visual aids but these may not take up an undue amount of time allowed for the assessment and not be the main focus of the assessment.

- **The teacher and candidate should both be viewable, in the viewing frame of the camera and all BSL features fully visible.**
- The candidate must fingerspell their name to the camera, at the right angle so that the external assessor can clearly see the candidates BSL features. **This will not be marked.**
- The candidate must sign their chosen topic, which should be given fully and clearly. **This will not be marked.**

- The candidate will then sign their presentation in BSL to the teacher. **This is when the time of the assessment also starts.**
- The presentation should be **between 8-10 minutes** in length.
- If the candidate is struggling with their presentation, the teacher may prompt the candidate to help them to keep the presentation flowing. The teacher must not help them with their signing but can comment on or ask a question related to the topic. The teacher can prompt the candidate **twice** during the presentation, if necessary. **External assessors will notify Signature of any centre that demonstrates excessive prompting and the candidate will be marked as not assessed.**

### Notes

- Candidates will fail their assessment if their presentation is under eight minutes in length.
- Candidates will fail their assessment if their presentation is off topic.
- Candidates will fail their assessment if the teacher is not fully in the viewing frame of the camera.
- Candidates will fail their assessment if their language use is not accurate and/or fluent.
- Assessments over ten minutes will not be marked from ten minutes onwards.
- Marks will not be given if the candidate is using SSE (Signed Supported English).

### Part B: Conversation

The conversation will allow candidates to achieve any assessment criteria not covered in their presentation.

- The candidate will start the conversation based on their presentation.
- **This is when the time of the assessment also starts.**
- The conversation should be **between 10-12 minutes** in length.
- The teacher will end the conversation at an appropriate time at **no less than ten minutes and no more than twelve minutes.**
- The conversation should focus mainly on the selected topic chosen, but it is acceptable for the conversation to include wider vocabulary from elsewhere in the specification.

- The teacher and candidate may interrupt, seek clarification or ask for repetition at any point during the conversation.

### Notes

- Candidates will fail their assessment if their conversation is under ten minutes in length.
- Candidates will fail their assessment if the conversation is off topic.
- Candidates will fail their assessment if their language use is not accurate and/or fluent.
- Assessments over twelve minutes will not be marked from twelve minutes onwards.
- Marks will not be given if the candidate is using SSE (Signed Supported English).
- Teachers must use BSL **not** SSE (Sign Supported English) throughout the assessment.

It should be demonstrated throughout the presentation/conversation. Failure to demonstrate the requirements asked for in E3 does not show sufficient understanding of BSL at this Level.**
