Qualification Specification

Level 6 Certificate in Working
Effectively with Deafblind Manual

601/7069/4

Sept 2019 – Aug 2020

QUALIFICATION SPECIFICATION

Signature Level 6 Certificate in Working Effectively with Deafblind Manual (DM601)

(QAN: L/507/5948)

(Signature Qualification Reference: DM6)

Qualification aim

The aim of the qualification is to enable learners to use knowledge and skills already obtained in previous qualifications and through experience, to be able to work with and to be able to interpret for deafblind people using Deafblind Manual. Working in a variety of everyday settings including: conversations, socialising, educational, personal and employment (Access to Work).

Qualification objectives

This qualification will provide learners with both the technical skills and strategies to be able to communicate with and interpret effectively with and for users of Deafblind Manual as well as the knowledge and skills involved with making language accessible to deafblind people. This will include and further develop understanding of ways to make language and information accessible while maintaining meaning and an awareness of the use of additional communication methods to convey this meaning.

Qualification structure

The qualification is divided into two units each of which will be assessed separately. Although assessments can be taken straight after each unit has been taught, Signature suggests that **all** assessments are best taken at the end of the course when all teaching is complete.

Signature Unit Code	QCF Unit Number	Unit Title	Assessment	Unit Details

Delivery and Contact Hours

Guided Learning Hours

The certificate has a credit value of 14 and 140 hours of learning time in total. The recommended guided learning hours is **100** in total as shown in the table below. The guided learning hours of 100 is the time the learner is timetabled for face to face contact with the centre and should include:

- Classroom based teaching
- Individual or group tutorials
- Feedback or observed practice

Essential requirements

In order to be entered for this course leading to this qualification, learners must be able to demonstrate competence at DBG Level 2 and DM Level 3 or equivalent. It is the responsibility of the centre to ensure these requirements have been met before accepting a learner on the course. Learners should be assessed at their induction for the skills required.

Recommendations

It is recommended that learners have a qualification or equivalent skills showing sound knowledge and command of English.

Centre Resources

Centres wishing to offer this qualification should ensure there are sufficient resources and expertise to support delivery of the programme. Taught sessions should be delivered in an identified base room. A range of appropriate audio visual aids are likely to be required for the sessions. Centres must ensure that learners have access to resources that are appropriate for the Level 6 nature of this qualification. Centres may be visited by Signature at any time.

Centre Staffing

Centres should identify a suitably qualified programme manager and delivery team. The members of the delivery team who teach and assess on behalf of the centre should have appropriate qualifications and experience of this field. It is the responsibility of the centre to ensure the team have:

- Competence in the subject matter of the qualification they are delivering
- Qualifications and/or professional experience in the subject they are teaching
- A recognised or relevant teacher qualification

Support provided to learners during the course.

As part of the induction process, learners should be given information about the course content, advice on the assessment methods for this qualification and information on reasonable adjustments. Learners should also be given information on guided learning hours, ongoing support, information on tutorials and the range of teaching materials that will be available to support learning.

Progression routes

On completion of Signature Level 6 Certificate in Working Effectively with Deafblind Manual (DM) successful candidates can go on to study:

- Signature Level 6 Certificate in Working Effectively with Visual Frame Hands On Signers (VFHO)
- Level 6 Certificate in Working Effectively with Deafblind Manual and Visual Frame and Hands On Signers

A range of professional qualifications and other qualifications at Levels 6 are also available.

ASSESSMENT SPECIFICATION

Please read this specification in conjunction with Signature Assessment Regulations and Signature General Regulations on our website.

This unit is externally and internally assessed.

Assessment

Assessment for this unit will take the form of a portfolio of evidence compiled by the candidate.

The assessment is not held under examination conditions.

The portfolio will be internally assessed. The portfolio will contain:

- a) Written evidence covering all of the knowledge criteria;
- b) Evidence from 3 assignments of 20 minutes each, covering all of the performance criteria and range (see CAR form):

Two assignments must be 'real' interpreted assignments involving at least one deafblind person. One assignment must be simulated – the simulated assignment should be realistic and unrehearsed.

Evidence must include:

- i. Written evidence of preparation for each assignment. This could include notes/comments written by the candidate in the course of preparing for the assignment, notes of telephone calls, briefing notes/materials/information provided by the client, copies of contracts, items for glossary, etc.
- ii. Written evidence of evaluation after each assignment. This could include notes/comments made by the candidate in the course of reflecting on the assignment, written feedback from client and/or peers, personal development plan, etc.

iii. EITHER

An observation by the teacher-assessor of each assignment, along with notes to identify how the criteria were met (required for Quality Assurance checks);

OR

A DVD of each assignment, recording interactions between the interpreter and other key participants, along with the reflective questions to cover performance criteria not met at least once (required for Quality Assurance checks).

UNIT SPECIFICATION

ASSESSMENT SPECIFICATION

Please read this specification in conjunction with Signature Assessment Regulations and Signature General Regulations on our website.

This unit is externally and internally assessed.

Assessment for this unit will take the form of a portfolio of evidence compiled by the candidate. The assessment is not held under examination conditions.

The portfolio will be internally assessed. The portfolio will contain:

- a) Written evidence covering all of the knowledge criteria;
- b) Evidence will be covered in the assignments for Level 6 in Deafblind Manual and/or Level 6 in Visual Frame and Hands On BSL (see CAR form for this unit).

Where opportunities do not arise for the other communication methods to be demonstrated in the practical assignments, then evidence of these skills and knowledge can be provided by written or signed evidence.

Evidence for this unit can be cross-referenced from the portfolio evidence for Level 6 in Deafblind Manual and/or Level 6 in Visual Frame and Hands On.

A videotape of each assignment, recording interactions between the interpreter and other key participants, along with the reflective questions to cover performance criteria not met at least once (required for Quality Assurance checks).
