

Witch

Index finger and thumb on your dominant hand make a 'C' shape. Index finger starts on tip of nose - then hand rotates forward (at wrist) bringing your fingers into a pinched shape (to mimic a witches pointed nose).

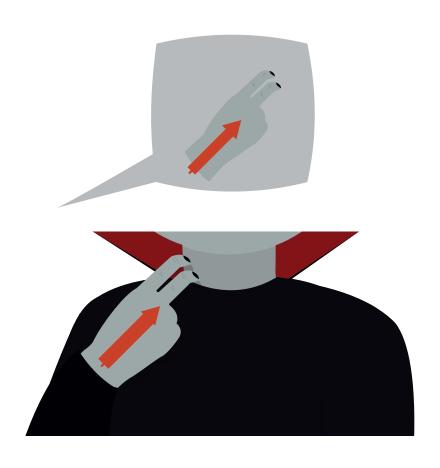

Ghost

Stretch out both arms and raise them to shoulder height. Keep your hands open and slightly bent at the wrists.

Vampire

Index and middle finger of dominant hand make a 'V' shape and tap neck once.

Zombie

Stretch out both arms and raise them to shoulder height. Keep your hands open and slightly bent at the wrists. Then move arms slightly up and down in alternative motions.
