

ASSESSMENT REGULATIONS

Please read these regulations in conjunction with Signature Qualification Specification on our website.

PART 1 of 3

1.1 Candidate registration

Signature will only accept candidate registrations from centres that are approved to offer this qualification. Centres must also be approved at the time of the sessions taking place.

Approved centres must register candidates onto a Booking via IRIS when they are enrolled for the qualification. Please ensure that the candidate has verified the spelling of their name at the time of registering them on IRIS, as this name is used to generate certificates upon successful completion of the qualification.

Centres must register existing candidates using their name and/or Signature unique learner ID number. New candidates will be issued with a unique learner ID number, by Signature, upon registration.

Centres (excludes Scotland) should also enter the candidates national Unique Learner Number (ULN) in to the appropriate field. New candidates should be allocated a national ULN by the centre.

1.2 Reasonable adjustments for candidates with particular assessment requirements

Please read the Reasonable Adjustment to Assessment Arrangements policy, available on Signature website.

Before requesting a reasonable adjustment on behalf of a candidate, the centre should be satisfied that the adjustment applied for will enable the candidate to attempt to meet the same standards of assessment as a candidate without the disability, difficulty or special

need concerned.

Centres requesting a reasonable adjustment must make the request when they add the candidate to a Session, and upload any supporting medical evidence.

Signature will respond to the request via the booking/session form to indicate whether the adjustment requested has been approved. Do not assume that all requests for reasonable adjustments will be approved.

1.3 Booking a Session

When candidates are ready to take assessments, they must create a Session under the Booking ID. We require:

3ASS1 – Formal Presentation - at least 4 weeks notice prior to the session date.

3ASS2 – Informal Conversation – at least 7 days notice of the session date.

3ASS3 – Receptive Skills – at least 7 days notice of the session date.

For assessments that are to be taken remotely, we may require 14 days notice of the session date. This is because some remote assessments will be chosen to be invigilated by a Signature appointed online invigilator who will be asked to view the assessment as it is taking place. We will notify you if your assessment is chosen for this purpose.

The session date is chosen by the centre. It is the date when all candidates registered on that Session will complete the assessment. Before finalising any Session, please ensure the date, and the candidates registered on that session are correct. Any session must be finalised before the notice period stipulated in these regulations as changes cannot be made after.

If a centre does not finalise a session an administration fee may be charged.

Centres will be invoiced for candidate registration fees after the date of the session.

1.4 Changes to Sessions

Once the session is finalised any candidate who cannot attend, must not be permitted to take the assessment at any other time or on any other date. They must notify Signature by adding a public comment in the booking Form that the candidate did not attend.

Candidates who do not attend due to medical or bereavement reasons, will be entitled to a full refund of their candidate registration fee upon production of appropriate evidence.

Scroll down until you see 'Send Candidate Email' and click to input the candidate email. This email contains the candidate assessment link and password so they can access the assessment materials. This must be sent to your candidate no earlier than 15 minutes prior to the assessment date and time.

If the candidate chooses to give their answers in BSL we only require their answers to be submitted for marking.

The content of all assessment materials is strictly confidential. The centre must not discuss or show the content of any assessment materials to candidates or any other third party, unless stated in these regulations. A breach of this regulation would be considered malpractice and the centre would be dealt with accordingly. Please refer to Signature's Malpractice Policy on the website.

Assessments must be carried out under 'examination conditions', that is, the candidate must not receive help from anyone during the assessment.
